Dear Dr. Lederberg,

Thank you very much for your letter of May 8. and for what
you tell me about the transfer of colonies of bacteria;
I am going to read Elek's article.

I am grateful to you for having given me ~~one~~ of your reprints
and sent mine back.

Of course, I am very sorry that it is not possible for me to
work in your laboratory next winter and I thank you for having
given me the addresses of two other laboratories.

Yours sincerely,

B. Blondel
